

Thank you for attending our first KSRG Info Fair! We appreciate your taking this step toward organizing our community for greater resilience, civil strength, and neighborly collaboration.

Following are our teams who are represented today along with their respective duties. Please stop by to learn more and to discuss joining one of them.

- **Administration/Personnel:** Reach out to prospective members via various means and maintain up-to-date team membership rosters.
- **Communications:** Establish and maintain a viable network for sharing information, especially in a decentralized manner, should normal communications be hindered in a crisis.
- **Engineering/Energy:** Create and manage the physical infrastructure and energy our community will require in the event of a crisis.
- **Food/Water/Sustainability:** Source and maintain reliable food and water supplies in the event of a crisis.
- **Fundraising/Finance:** Attain monies to best serve the various committees and to establish and maintain alternate forms of exchange in the event of a crisis.
- **Health/Medical:** Care for the physical well-being of the people in our community in the event of a crisis.
- **Logistics:** Coordinate supply chains and transportation of resources in the event of a crisis.
- **Political Outreach:** Work in tandem with our elected officials in service of community resilience.
- **PR/Media:** Manage KSRG's messaging, ensuring communications are presented with professionalism, thoughtfulness, and care.
